The Local Art Scene

Here, There and Everywhere

Come back in time with us as we pay tribute to the musical phenomenon that is The Beatles. Enjoy of an evening of timeless classics in a coffee house setting. We'll boldly cover a wide range of material from the fresh and exciting early years to the mesmerizing psychedelic period to the raw edged and beautifully crafted material of the later years. The music will include rich vocal arrangements with 3 part harmonies, electric & acoustic guitars, percussive elements, as well as other surprises.

PROCEEDS WILL GO TO THE BENJAMIN FRANKLIN ELEMENTARY SCHOOL MUSIC PROGRAM.

We chose to embark on this endeavor because music is near and dear to our hearts and also because music has had a profound impact on our lives. There's no denying that arts & music offer children a unique vehicle to exploring & unlocking their creative side and the potential benefits cannot be underestimated. All too often, the music programs as well as the arts are among the first programs to be diminished and even cut when a school is faced with budgetary constraints. Limiting these vital programs does a disservice to our teachers doing so could be detrimental to our youth and the future of our society. This event is dedicated to preserving the arts and pays homage to the fine men and women dedicated to teaching our youth.
