Beatles tribute benefit concert for soccer lighting

On Friday, Aug. 25 at 7 p.m. in the soccer fields at Recreation Park, the Beatles tribute band Number 9 will perform a benefit concert in conjunction with the Southington Soccer Club and the Southington Youth Soccer League to raise funds to provide lighting for one or two of its three soccer fields at Recreation Park.

The concert is free and the concessions stand will be open for the purchase of food and drinks, so bring your lawn chairs, singing voices and even dancing shoes because the band Number 9 will be rocking the Rec in true Beatles style.

The organized soccer programs believe the addition of field lighting will attract more children to the sport of soccer and would afford more options for practice time, game play and tournament scheduling. Currently, both of the soccer organization's assets are very highly maintained. The pro-

grams enjoy the support of many generous volunteers who donate their time for coaching, officiating and the administering of the respective programs, as well as ensure that the field and clubhouse are kept in excellent condition. Additionally, the Southington Parks and Recreation Department provides further maintenance tasks on an ongoing basis.
